WINE PREPARATION

The Domaine des Monticoles white is one of the Provence wines classified in the Coteaux Varois en Provence appellation. The white wines come from a 30-hectare vineyard located in Saint Maximin la Sainte Baume. Vinification includes fermentation with temperature control at 15-17°C. The yeasts are selected to provide aromas of citrus and white fruits.

Domaine des Monticoles white wine originate from organic farming. Organic agricultural products are grown without fertilizers or chemicals. They are subject to regular control by ECOCERT.
